Amen! But interestingly enough, the guy who made the claim, Dowess, is the same guy that Johnson paid to run the "absentee ballot program" for him! Guess he didn't like the Dems cutting into his business! Or as Mon said, you can shoot bull to a bull shooter!

Friend,

A massive voting fraud scheme has been uncovered in Baden County. Hundreds of absentee ballots appear to have been fraudulently cast for Roy Cooper and other Democrats. Initial evidence shows that a North Carolina Democrat Party-funded group may have paid people to cast fraudulent votes to tip this election to Roy Cooper!

This cannot stand. Click here to donate to our legal defense fund to fight back against voter fraud.

We are challenging these likely fraudulent votes, but need your immediate help! There is evidence to suggest that this may have occurred in other counties as well.

Our team is working around the clock to ensure votes are properly counted. Don't let Roy Cooper and his cronies steal this election with back door shenanigans. Contributions to the [redacted] are appreciated.
